## **INFORMATION!**

Arrivals for the SSRMHC 3 Day Charity Event will be able to get into the stalls on Wednesday afternoon. Stalls will be marked with last name or farm name. We invite you to visit our Southern States Rocky Mountain Horse Hospitality Stall in the Barn once settled in! The entire Park and trail system is large enough to enjoy a nice easy practice ride to enjoy the scenery and (hopefully) the wonderful Florida Weather! Get settled in, explore the tack shops of Ocala, and get prepared to have a GREAT WEEKEND!

### **RULES:**

To Clarify: The judges are IJA Judges. While this show is holding exhibitors to a FOSH type philosophy, this is NOT a FOSH sanctioned show. All RMHA classes will be judged to the RMHA rule book. Exhibitors must have membership and riders card, a copy of their horses papers to the show office, and horses must be certified to show that are over 2 years old. OGB and ALL other Classes are subject to being judged to IJA standard.

**SHOEING LIMITS:** maximum shoe width is 1". maximum toe length is 5". (again, this is not a pointed show, COMMON SENSE APPLIES, Just bring a sound horse thats barefoot or flat shod!) NO HEAVY SHOES. NO STACKS. NO ACTION DEVICES.

**BITS:** maximum shank length is 8.5". No bicycle chain mouth pieces. Bring a horse that is well bitted and happy in his work. Severe gaping, nose straight in the air, clearly distressed will bring cause for the judge to check the bit, not place the horse, or excuse the horse and rider from the ring. IJA principles apply.

IJA Judges will judge in accordance to their principles, the principles of this show and the RMHA for RMHA classes. They are trained to be objective and appreciative of ALL the gaited breeds and are aware of the different types of movement for each. There is no sanctioning or affiliation with any other Breeds or Organizations beyond the sanctioned RMHA Classes. Bring your gaited horse, be a good sport, do your best to ride to your breed's standard and have some fun!

Negative Coggins is REQUIRED.

## **THURSDAY**

This is a day for fun and friendship and practice! The trail ride will start at 2:00pm from the trail head at the Florida Horse Park. After the trail ride, we invite everyone to bring an item for potluck picnic and more socializing! There is NO FEE to join the ride, but we do ask that everyone consider making a donation to the event. Let's not forget who we are riding for! Operation 300 will be on our minds all weekend, and though the trail ride is not competitive, it is still an important part of our event.

## **FRIDAY**

The show starts at 10am. There will be vendors and food all right there by the arena. Featuring a special schooling class for riders following the conformation classes. This class each day offers an opportunity for riders that have never shown before that want to get a feel for the ring and instant feedback and guidance from experienced trainers and exhibitors.

**ALSO—Diane Sept has graciously offered to give special coaching on a trail obstacle course for those that want to take part on Friday afternoon.** The fee is \$30/ to enter and receive valuable coaching from a judges perspective on how to ROCK the trail obstacle classes. *Diane Sept is a Connected Riding Senior Instructor Clinician, Independent Judge's Association Judge, Senior IJA Gaited Dressage Judge, USEF Member and FOSH Member.* This is a tremendous opportunity for non-show and show riders alike to work on their skills and further their education at minimal cost!

## **SATURDAY**

The show starts at 9am. Vendors and food will be available. At 12 Noon, there will be a special Tribute to the Veterans, demonstration, and presentation of Operation 300 as our chosen Charity. This is a BUSY Show day, please remember to be prompt for your classes. We will not hold the gate unless a tack change has been requested in advance. For those that showed on Friday, don't forget— New day— New judge! We have a separate judge each day. The Trail Obstacle Class will be open for an allotted time on Saturday to allow for participants to fit it into their schedule, simply indicate to the judge whether or not you are in the RMHA class or the OGB class. Exhibitors are welcome to keep their horses overnight on Saturday, but must be out of the stalls by 11am on Sunday morning.

Entry forms are available on our website: [www.ssrmhclub.com](http://www.ssrmhclub.com). RMHA exhibitors can get their memberships updated and riders cards from Cyndee Davis at the RMHA office by calling: 859-644-5244. OR visiting the website at [www.rmhorse.com](http://www.rmhorse.com) for online membership application.

No other membership is required for this show!

Meal tickets will be available for purchase at the show office for those that want to enjoy our SSRMHC burger booth!
